

## Call for artists and writers from all practices and from all of Calgary's communities to participate in the The Boxed Stories Gallery Winter/Spring Exhibit

**September to December 2022**

This is a call for artists and writers working across a wide spectrum of media to participate in the Fall/Winter exhibit of The Boxed Stories Gallery located in the Creative Hive space of Loft 112, 535 8 Ave SE Calgary.

A bit about the Gallery: Housed within a vintage card catalogue, the library's one time answer to organizing a collection of books for readers to locate on a shelf, visitors will be encouraged to discover varied art-works as they open each drawer. The pieces can range from paintings, prints, photography, assemblage, music as well as wood, metal and ceramic sculpture and/or any other format the artist/writer imagines.

The dimensions of each must fit and fill the drawer: Length- 15.25" Width - 5" Height 2" . if interested, artists/writers are encouraged to come and explore the exhibit for planning purposes.

If you are unfamiliar with this project, please purchase a \$5 ticket to view the exhibit. Visit the link below for gallery tickets. [Loft112.org/gallery-tickets](http://Loft112.org/gallery-tickets)
